Robert,

We have inquired about setting our Motion for Summary Judgment for hearing in August. The Court can hear this on August 22, 23, 24, and 25. Do you have conflicts with any of these days?

Respectfully,

**T. Chase Garrett**

Thank you. I'll ask my client if he has any unavailable dates for the MSJ hearing. I'm trying to firm some of those dates, as well.

And for the record, I am providing no legal services in regards to the defamation lawsuit, behind the scenes or otherwise.

Let's go with 8/22 for the MSJ hearing. Anytime should work. I do have one floating trial date that I should know in the next day or two, but I think it will be earlier. If there is a conflict, I will let you know. The second best date for me would be 8/25. I'm trying to avoid 8/23 or 8/24 so that I do not conflict with any birthday activities for my daughter.

Thanks, Robert. We will set it for 8/22, but if you have a conflict, let me know, and I will be happy to move it. I don't want to set it on 8/25 since that is the date of the other hearing.
